

Remarks

Claims 1 to 3 are cancelled and claims 4, 6 to 10, 13, 14 and 18 to 21 are amended. Claims 4 to 21 are pending in this application of which only claim 4 is in independent form.

Applicants appreciatively note the allowability of claims 4 and 5. Accordingly, claim 4 is amended to incorporate therein all the features and limitations of claims 1 to 3 from which it had depended. The remaining claims are amended as required to make the same dependent from claim 4 so that claims 4 to 21 should now be allowable.

Claims 8 and 10 were rejected under 35 USC 112, second paragraph, as being indefinite for the reasons set forth on page 3, paragraph 2, of the action. Claim 8 is now dependent from claim 4 so that there is a proper antecedent basis for the term "said partition wall". Claim 10 is amended to conform to the interpretation set forth in the action.

In view of the above, claims 8 and 10 should now be definite as required by the statute.

The claims were objected to on page 3, paragraph 3, of the action, because claim number 20 was repeated. The second occurrence of this claim number is deleted herein and the number -- 21 -- is substituted therefor.

The application should now be in condition for allowance.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Walter Ottesen". The signature is fluid and cursive, with the first name "Walter" and last name "Ottesen" clearly distinguishable.
